

# SOUTH POLE FLIGHT

Visit Antarctica  
and Fly to the  
Bottom of the World

December 7 to 12, 2016

# South Pole Flight

- ▶ 6 DAYS ON ICE
- ▶ ALL FLY, NO SKI
- ▶ US\$48,150 PER PERSON EX-CHILE

An Ilyushin-76 jet takes you from Punta Arenas to Union Glacier camp from where you embark on your South Pole Flight adventure.

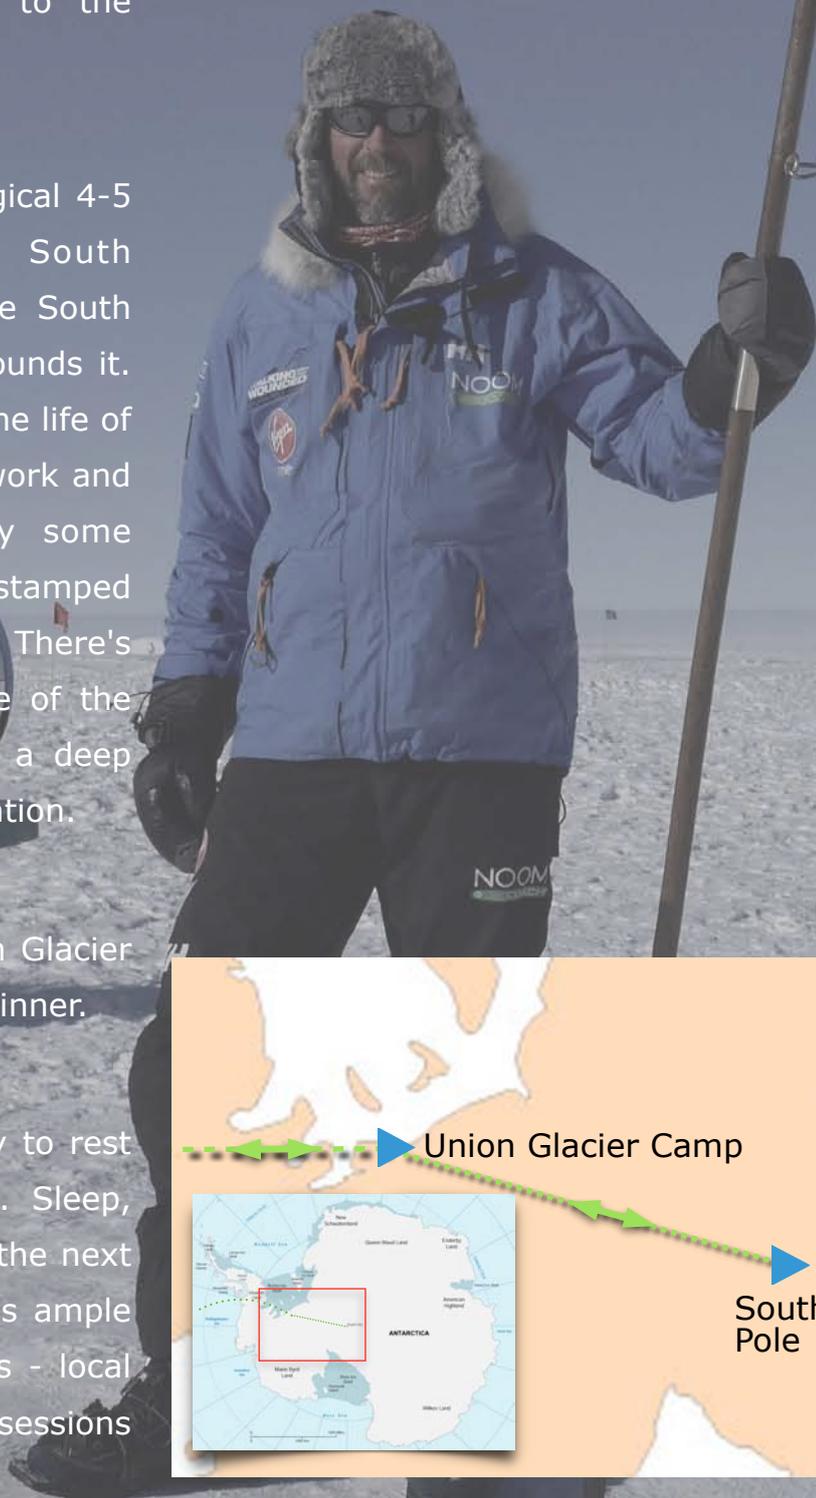

We spend two days at Union Glacier Camp where we acclimatise to the cold, do some local sightseeing and prepare for our flight to the Bottom of the World.

A ski-equipped aircraft takes us on a magical 4-5 hour flight across Antarctica to the South Geographic Pole. It's a short walk to the South Pole marker and the US station that surrounds it. A tour of the station gives an insight into the life of the expeditioners that live there and the work and research they undertake. You can buy some souvenirs at the store and get postcards stamped at the world's most southerly post office. There's plenty of time to take in the atmosphere of the South Pole so that you come away with a deep appreciation of this remote and unique location.

In the afternoon we are returned to Union Glacier where we enjoy a sumptuous celebratory dinner.

The following day you have the entire day to rest and recover from the South Pole flights. Sleep, read, eat, whatever you like. You'll spend the next three days at Union Glacier where there is ample time to undertake a multitude of activities - local walks, skiing, drive tours, Antarctic skills sessions and lectures from the staff.

On the final day we return to Punta Arenas.

DAY	ACTIVITY
1	Arrive Punta Arenas. Meet your guide and check-in to hotel
2	Review itinerary, trip briefing
3	Fly 4.5 hours to Union Glacier base in Antarctica (weather dependent), camp orientation and settle in
4	Flight 4-5 hours to South Pole. Station visit. Return to Union Glacier
5-7	Local activities including ice walks, photography, sightseeing, lectures
8	Return to Punta Arenas

Antarctic weather can be unpredictable and delays in polar flights can occur. You are advised to book flexible tickets.
